

THE HIDDEN ITINERARY

Santo Stefano di Sessanio
23-24 August 2026

Private phone and pocket reference

Quick index

First evening: arrival, suite, village, Torre Medicea, Locanda sul Lago.

Picnic day: Lago Racollo, Lago di Pietranzoni, Fonte Vetica, Rifugio Racollo, Sextantio dinner.

All times include modest buffers. Add 2-5 minutes to village walks depending on the location of your Executive Suite.

Sunset on 23 August 2026: approximately 19:55 local time.

Important: mountain weather, livestock and road conditions take priority over the schedule.

First evening

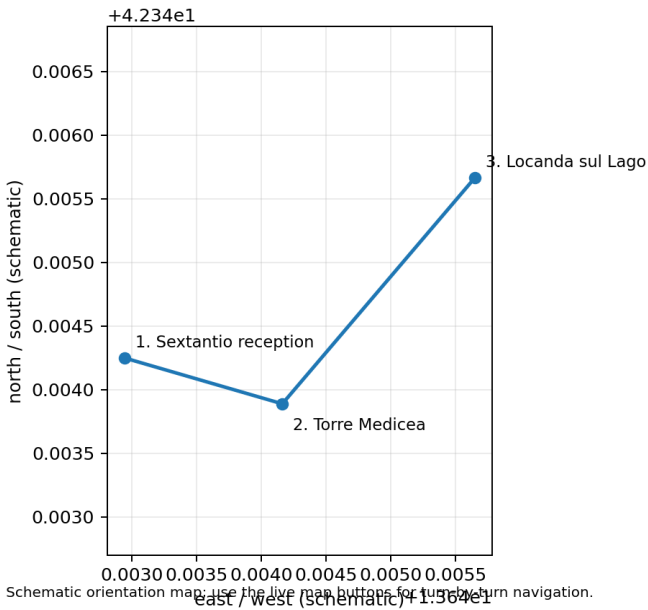

17:00	Arrive at Via della Giudea. Allow 15-25 minutes for parking, luggage assistance and the walk into the village.
17:25	Executive Suite. Let her discover the flowers and wine; do not rush to unpack.
17:35	First glass of wine and 30-40 minutes with no schedule.
18:15	Freshen up. Take a light layer, room key and comfortable shoes.
18:35	Begin wandering towards Piazza Medicea. Allow 20 minutes with pauses.
18:55	Pause in the medieval core and beneath the Medici gate.
19:10	Walk uphill to Torre Medicea: about 200-350 m / 5-8 minutes plus stops.
19:20	Tower viewpoint. Stay 20-25 minutes; golden light builds towards 19:55.
19:45	Descend towards Locanda sul Lago. Allow 12-18 minutes.
20:05	Use the buffer near the small lake / chapel surroundings.
20:25	Enter Locanda sul Lago for the 20:30 booking.

22:15

Walk back through the illuminated village, 300-500 m
/ 5-10 minutes direct; take 20 minutes.

Village route

First-evening route

Schematic only. Approximate total walking: 1-1.5 km including wandering.
Stone is uneven and the route to the tower is uphill.

Picnic day - morning

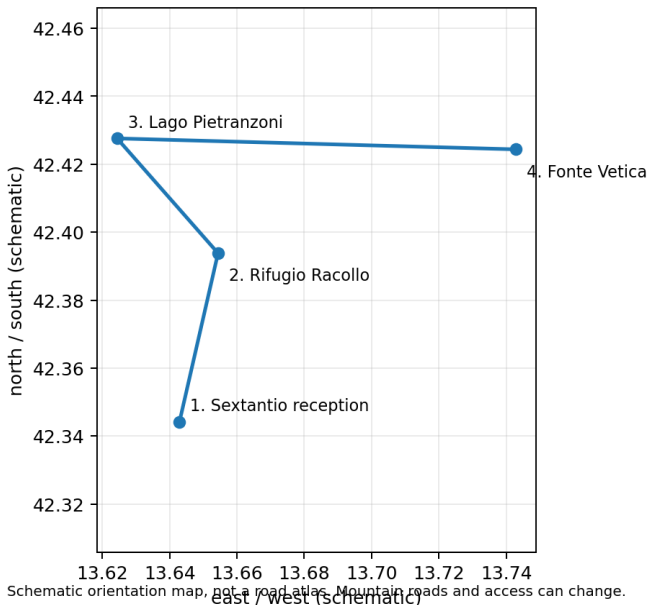

08:00	Slow breakfast. Check wind and weather. Pack picnic, water, layers, sun protection, rubbish bag and medication.
09:45	Leave Santo Stefano towards Campo Imperatore / Lago Racollo.
10:00	Rifugio Racollo and Lago Racollo. Approx. 7-9 km / 15-20 min. Walk 5-10 min from parking; stay 20-25 min.
10:30	Drive towards Lago di Pietranzoni: allow 20-30 min.
11:00	Lago di Pietranzoni. Stay 25-35 min. Water level is seasonal and may be low in late August.
11:35	Drive across the plateau to Fonte Vetica: allow 25-35 min.
12:10	Park at Fonte Vetica. Walk 5-10 min to assess wind, livestock and ground.
12:25	Choose a level meadow 200-400 m from the busiest area, visible from the car and away from livestock, dogs and water points.

Picnic day - afternoon

12:35	Picnic for at least 90 minutes. Keep alcohol modest because of driving and altitude.
14:10	Gentle 30-45 min out-and-back stroll; turn early if terrain, wind or fatigue is uncomfortable.
15:00	Pack carefully and leave no trace.
15:10	Drive back towards Rifugio Racollo: allow 20-30 min.
15:35	Optional coffee / comfort stop at Rifugio Racollo, 25-35 min; service may vary.
16:10	Return to Santo Stefano: approx. 15-20 min.
16:30	Suite: bath, rest and change.
19:15	Leave the suite.
19:30	Tasting-menu dinner at Sextantio.

Campo Imperatore route

Campo Imperatore day

Likely loop: about 55-70 km and 1 hr 45 min to 2 hr 15 min total driving, spread across the day. Use established pull-offs only.

Five-second checks

First evening

Room key - light layer - phone charged - dinner 20:30 - stop managing once the walk begins.

Picnic day

Food - blanket - water - sun protection - warm layer - shoes - rubbish bag - medication - offline maps.

If the plateau is foggy, stormy or very windy, shorten the outing and return to the village. Comfort and safety outrank the schedule.

Mountain etiquette

Keep away from working livestock and guardian dogs. Do not block gates, tracks or water troughs. Do not park on grass. Mobile signal may be inconsistent.
